Mr. Schnelle was asked to present his application. This is phase II of a three-phase plan he introduced to the board in June. He is running out of space and needs to expand. He will add a production room and warehouse for storage.

Discussion on water runoff and drainage control. He has two ponds on the property, one for irrigation and the other a dry pond.

New building runoff will go into existing pond.

With no one appearing to speak in support or opposition of the application and no further discussion, Chris closed the public hearing at 7:16pm

He thanked Mr. Schnelle for his appearance and explanation of project.

Respectfully submitted,

Betty M. Daggett- Sec.
