Mrs. Blauvelt presented her application. Original double wide mobile home removed was over 50 years old. New home with attached garage will have an entryway on the roadside also. Would like a 6 x 8 porch for this entryway. Original footprint of home is already in road right of way placed pre zoning law.

There was no one appearing to speak in support or opposition of AV 24-01.

Deanne asked if there was going to be a cellar or crawl space under the home. Mrs. Blauvelt stated a crawl space.

George asked what the actual size of porch, as drawings show 6' x 8' , (8' wide instead of 6' on the permit application).

Mr. James stated 8' is the correct width on the submitted plan drawings and does not impact the setback.

There being no further questions by audience or board members, Bob closed the public hearing at 7:15pm

Respectfully submitted,
